

Prerequisites

A student who fails in the first course of a sequence cannot take the succeeding courses before repeating and passing the first course. Prerequisites for a course must be met before the course is taken, unless permission to omit the prerequisites is obtained from the appropriate dean. However, transfer institutions may not accept course work if prerequisites have not been met. If a student preregisters for a course while taking the prerequisite and does not pass the prerequisite, the student will be administratively deleted from the course before classes begin for that semester/term.
